Round 1

No	Feature	Page	Category	Status	Comment
1	Map in booking details must be opened by **Google Maps app** (*Mobiles*)	Booking Page	Cross-Platform Support	Done	New Addition (Important)
2	Upon creation of a new coupon, when '**is all agency**' is NOT selected (i.e. one agency is selected) and the second option '**is all users**' is NOT selected, an email message is sent to every user with the title of "Coupon Validity Extension".	Coupon Page	Coupons	Done	Solved. Now the admin can select a specified agency/user to issue the coupon to
3	After the user is logged in an intermediate page, a quick and unwanted redirection happens (this should be removed).	N/A	Routing	Done	The user(s) will be redirected to the homepage
4	Change no-reply@drivelounges.com email to support@drivelounges.com.	Footer	Support	Closed	In the content only
5	When registering for a new **agency**, the user (agency) should be redirected to the *homepage*.	Agency Sign Up	Routing	Done	
6	In case of a new agency creation, I can see an empty row in the **bookings section** in the dashboard.	Bookings Page	Usability	Done	Solved for the user, yet the agency still has the issue
7	When altering the phone number for an **agency**, a message shows up indicating "contact number must be between 5 - 16 characters"	Agency Profile Page	Regulation	Done	
8	The dashboard in the landing page has some **UI issues**: fonts are not consistent and in the input boxes 3 types of icons show up.	Home Page	User Interface	Done	Fixed the position of some icons
9	Enable **batch upload** when a user is uploading the images of the interior of the car.	Create Cars Page	Usability	Later	*This feature is not feasible in the meantime*
10	When altering a newly added car, the car **status** remains ON in the dashboard	Car Management Page	Accessibility	Done	
11	We need to notify the user by email after confirmation of the booking with this format: (Agency **Name + Booking No.**).	Booking Page	Functional Requirement	Done	
12	When a user is created and confirmed, the admin has to be **notified** by email.	N/A	Functional Requirement	Done	
13	After logging out, make sure the user session is terminated and user is actually **signed out**.	N/A	Security	Later	
14	We have to provide "**Booking Details**" in email message for the users.	Email System	Functional Requirement	Done	New Addition

15	<u>Cancellation</u> of the booking has to be **justified** by the user and it is <u>mandatory</u>.	Booking Page	Regulation	**Done**	
16	The cars' images *must* roll in an **image carousel** + addition of right and left chevrons so that user(s) can move between the pictures.	Car Details Page	Non-Functional Requirement	**Done**	
17	The details page *must* show **fixed images dimension** for all cars' images + using a **unified fit** for all the cars images.	Car Details Page	Non-Functional Requirement	**Done**	
18	Change the Receiving Address to **Agency Address**	Checkout Page	UI enhancement	**Done**	Changing at this time will produce more delay to the project
19	Adding a label on the car cards (**Delivery Available**) to be on the upper-left hand corner.	Listing Page	UI enhancement	**Done**	New Addition

Round 2

No.	Feature	Page	Category	Status	Comment
20	When an agency/user is deleted, the agency supposed to be logged off from the system.	Agency Dashboard	Security	Later	I was able to continue browsing the dashboard after deleting the agency from admin's side
21	Once the agency registered, the contact number should start with +966 and the length should be xxxxxxxxx	N/A		Done	For example: +966 - xxxxxxxxx
22	Once the admin unchecks " show to dashboard ", it shows the car on the home page but it is not.	N/A		Done	
23	Once the admin edits the car the car status goes off automatically			Done	
24	When a coupon is created for a specific user, only the designated user must be able to use the code	Coupon Management	Security	Done	I created a coupon for one user ONLY and I was able to use it as another user!
25	After creating a new agency, the booking section must not have any rows	Booking Management	User Requirement	Done	I have created a new agency and I saw one empty row in the bookings section
